--By-Law change proposed. See attached information. Board moved charitable solicitations from July to October. This will be presented at April's general membership meeting.

--WASL – PRIDE will be providing snack for sophomores during the week of their WASL testing. Linda provided a creative logo to be included for the students.

Color Splash Week:

-- BINGO night: workers and prizes are needed. ERHS security has approved giving parking passes as one of the prizes. The event will have a 6:00 start. Set up will be after school. PRIDE will give out popcorn and sell soda. Kim will check with Linda about snack inventory.

--Clash for Cash: At least two workers are needed for Tuesday and Thursday lunches. Two cash counters are needed. Sue will be calling a banker to check on counting privileges. Winning class will be given the opportunity to decorate the stairwell, and decorating supplies will be provided for that class.

--Survival At The Ridge: Details of this event were discussed. An e-mail will be sent to staff members asking for those who might be interested in attending and/or presenting about Jag Time/Block Time at the event. Format will probably be quick intros by the presenters, and an open panel question/answer time afterwards. A few students will be invited to participate.

--Grad-o-gram: Jodi showed labels and stickers for the envelopes.

Troy discussed "Student of the Quarter". The idea is to merge PRIDE and Site Council to recognize students. Ideas were shared about different ways to recognize students. Troy also said that there is no help needed for coffee/snacks during WASL week at this point.
